Areas described under section 5 of the ACA

1. **Employment:** No barriers identified to employment.
2. **The Built Environment:** No barriers were identified to the built environment. Ramps for the entrance are already available. Clear signage is posted.
3. **Communication, other than information and communication technologies:** No barriers were identified. Relevant materials are posted at the location for the applicable situation.
4. **Procurement of Goods, Services, and Facilities:** No barriers were identified. OPDI is committed to providing accessibility regarding the Procurement of Goods, Services, and Facilities.
5. **The Design and Delivery of Programs and Services:** No barriers were identified. OPDI will consider the accessibility to the design and delivery of programs and services once the barriers are identified.
6. **Transportation:** No barriers were identified. OPDI will take into account the accessibility to Transportation once the barriers are identified.

Consultations

In developing this accessibility plan, OPDI conducted consultations with people with disabilities to ensure their perspectives and experiences shaped our strategies. Feedback was gathered through interviews and surveys with individuals from diverse disability backgrounds. OPDI is committed to ongoing consultations with the disability community to refine our plan and continuously improve accessibility.
