

Progress Report

This report details OPDI's progress in implementing our accessibility plan and advancing accessibility within our organization.

Feedback Received

As of this report, no feedback has been received through our established feedback channels.

Consideration of Feedback

While no feedback has been received so far, OPDI remains committed to reviewing and incorporating future feedback to improve accessibility.

OPDI is dedicated to fostering an inclusive environment and will proactively encourage and consider feedback to improve accessibility across all organizational activities.
